## In Our Prayers

**Grace Willis** is doing pretty good and seems happy according to her daughter Amy. When we call, she doesn't always hear her phone ringing and she stays busy with the activities offered where she lives.

**Juanita Tollison** is feeling okay and enjoyed our call. She has been homebound because of her age and has a nephew living next door that helps take care of her.

**Louise Melton** has been with family in Macon for the last month or so but is feeling okay. She will probably stay there for another three or four weeks.

**Mabel Williamson** says she is feeling okay but bored because they are confined to their rooms and have to keep their doors closed. Everything is brought to them. She enjoys getting calls to keep in touch with family and friends.

**Nancy Ward** has several health problems. Her eyes are bothering her and she needs to see a dentist. She also has problems with her back and legs. She's hoping to be able to get to her doctors soon. She also thanked us for sending devotions and bible studies in the mail to her.

**Mildred (Milly) Sharp** had digestive problems and was diagnosed with a hiatal hernia. She was then hospitalized with seizures and is now non-responsive. Her niece Ava reported that she is now in hospice with palliative care at Emory per Phyllis Hardin.

A friend to FBC Tucker, **Charlotte Nix**, had to have her foot removed this past Monday. The surgery went well. She is currently in therapy and rehab. Frank is at home. He is not able to see her at this time, but communicates with her each day. Keep Charlotte and Frank in your prayers.

Please be in prayer for **Thom Wheeler** and family in the death of Thom's brother-in-law, Randy Cason this past Saturday, March 28.

Please continue in prayer for **Billy Thomas**, Mike and Evelyn's son. He was discharged from the rehabilitation center and is feeling better but still recuperating from a variety of health issues, some of which dealt with his kidneys and a blood clot in his lungs. He really appreciates everyone's thoughts and prayers as he said that he has been feeling the prayers that are being lifted on his behalf.

Also, remember **George Black** and family in the loss of his sister, Evelyn Johnson, on March 17.
